COMMANDER'S COLUMN

SIR KNIGHT:—

On September 16th starts the active work of the 109th year of our Commandery. You will notice a page has been added to our communication. This will effect a substantial savings each year in printing, postage, etc. All future guard notices will be on the added page. Other long range plans for the future success of our Commandery are forging ahead. But, as it is with life itself, certain facts are not always pleasant. All the plans, zeal and work of the Guard and Officers are for nothing without candidates. This is an undisputable fact! The economy of the Commandery hinges on candidates, the dues, assessments, good and bad years. We cannot afford any bad years. They are too costly. Good years are the result of everyones cooperation. Since the degree of success attained is the direct result of your support it is imperative that you be a "doer" and not just a "joiner". If you show no interest you can hardly expect your officers to be overzealous. The front page of this notice holds the key to the future, all for one, one for all, a Commandery of KNIGHTS TEMPLARS.

PUBLIC INSTALLATION

On October 14th a public installation of your Officers and Guard will be held. The purpose of the public installation? Advertising, to put it in plain English. The situation demands that we use every means possible to increase our numbers. We hope to interest members of the Lodges, Chapter and Council in Commandery. To accomplish this I ask each Sir Knight to invite a member of these bodies to attend with his family. We have planned an impressive evening. There will be no long speeches. I trust you will assist your Commandery in making the evening accomplish what it is designed to do. Again success hinges on your cooperation and success is of paramount importance. I can assure you that if we did not need candidates, there would be no public installation. Let's give our new board of Officers a vote of confidence by packing the Asylum to overflowing.

DRILLS AND REHEARSALS

All drills and rehearsals are open to any member who cares to attend. Dinner reservations may be made through any officer at least three days prior to the drill. Come down and enjoy the goodfellowship of the evening. Make a habit of joining us on drill nights and get acquainted with the Guard and their work.

This being my last message, I wish to thank all those who so generously contributed their time and assistance. My congratulations to Frank J. Carter, Commander-Elect and his board of Officers, and best wishes for a successful year.

Faternally,

ARTHUR L. WILBUR,
Commander.

A few words from the Commander-Elect

I would like to express my sincere thanks to the Sir Knights of Holy Sepulchre Commandery for the faith and trust they have expressed by electing me to the head of your Commandery. I will certainly try to be deserving of the trust you have reposed in me. Wont you please try to attend all our meetings? I am sure we will become better acquainted if you will!

FRANK J. CARTER,
Commander-Elect.

NOTICE OF GUARD ACTIVITIES

Important Notice

All future notices of Guard activities such as drills, rehearsals, dinners, etc. will be incorporated in this page along with other pertinent information. There will be no future mailed notices such as postcards, etc. to individual members of the Guard. By making this change a substantial sum will be saved on current expenses. Start the habit now of saving your notices for future reference.

Non-uniformed members of the Guard who work in the cast of the Order of the Red Cross should keep this in mind.

All future reservations for dinners at drills or rehearsals must be made through your Officers. To this end the telephone number is being included with each Officers name on the organization page of each notice. All reservations should be made at least three days prior to the dinner. It is expected that all reservations will be paid for. The cooperation of the Guard is essential to insure success of this plan.

BE SURE TO CONSULT THIS PAGE FOR ALL FUTURE
GUARD NOTICES.

The regulations governing our Order state that chapeau and sword shall be worn at all drills.

Any member assigned to work in a division who finds he cannot be present the evening of the work will please notify the Captain of the Guard in time for him to secure a replacement. Cooperation on this would be a tremendous help at all times.

September 16, 1955. Officers Drill

Officers will drill on the installation, Inspection and Review immediately after the regular conclave at 8:00 p. m.

September 23, 1955. Officers and Guard Drill

A drill will be held on Inspection and Review at 7:30 p. m. in the Asylum. Since this is for the public installation it is imperative that we make a good showing. It is important that all the Guard turn out for this so that we will have three full divisions plus an escort of six.

September 30, 1955. Officers and Guard. Dinner and Drill

Final drill on Inspection and Review for the public installation. Roast Turkey dinner will be served by Mrs. Adams at 6:30 p. m. at a cost of \$1.00. Drill starts at 7:30 p. m. in the Asylum. If you cannot attend the dinner please be present for the drill. Make your dinner reservations through your OFFICERS.

October 14, 1955. Public Installation

Officers and Guard will be installed starting at 8:00 p. m. All Guards should be present in full dress uniform with white gloves at 7:45 p. m. in the Armory. The success of the evening hinges on the attendance of the Guard and their ability. Twenty-four Guards are needed.
